BRITANNIC ASSURANCE CHAMPIONSHIP									
GLAMORGAN v MIDDLESEX									
Date: 10/12/13 June 1989					Toss won by: Glamorgan				
At: Abergavenny					Result: Match Drawn				
Umpires: K.E. Palmer, R.A. White					Scorers: B.T. Denning, H.P.H. Sharp				
<p>In spite of dashed centuries in each innings from Shastri and Butcher's second hundred of the season Glamorgan were happy to escape with a draw after a magnificent 100 off just 79 balls by Paul Downton saw Middlesex leading 14 runs off the last over for victory. Once again the delightful but small Abergavenny ground made the task of writing a target perilously difficult. Michael Carr included some Bluetick wisdom in his career-best performance, but generally the bowlers struggled for results on an excellent wicket. A thoroughly entertaining game played in excellent spirit.</p>

Abergavenny Cricket Club History

On January 28th 1989 the Club lost E.G.'Ted' Nash who passed away aged 80 years. Ted had been synonymous with Abergavenny Cricket Club for many years, Most recently he had been President of the Club and one of the most popular officials the club has ever had. He took on the Presidency in 1971. He was first proposed as a playing member in 1925, so in total had a 64 year association with the Club.

He retired from playing in 1951, but watched with interest the development of his two sons Colin and Malcolm until they made their respective moves to London and Glamorgan. His endeavours for the Club and his Ambassadorial Role have been invaluable and he will be greatly missed by everyone.
