1937 produced a better fixture list and, with steadily increasing prosperity a few of the valley sides were included, for example, Ebbw Vale, Abertillery, Dowlais. These Strong fixtures this year included an all day fixture with Crickhowell. A match every day of the August Cricket Week. A match on Coronation Day against Cardiff YMCA. Other fixtures included, Coleford, Nailsworth (Gloucester) Newport Borough Police, Monmouthshire County Police and the Territorial Troops, in all 66 matches.

1937 was in many ways a record breaking season, only 3 matches were cancelled, the all day Bank Holiday Fixture with Crickhowell was a very popular occasion. The cricket week with its 'Broadcast' commentaries was well received. The Club offered G.O'Daly the position of Coach/Groundsman which would continue in 1938

The cricket continued to be dominated by a small number of leading players, but it is easy in such circumstances to overlook the solid middle of the teams. When players like C.Price who scored a half century against Usk, and R.Floyd who took 8-25 against Crickhowell demonstrated there was both attack and defence in depth
