Dennis Harries

Abergavenny Cricket Club pace bowler Denis 'Dinky' Harries (Above) collapsed and died during a match against Monmouth on Saturday, July 1st 1978. He was 35 years old. He had just completed his 14th over, having taken five Monmouth wickets for 24 runs. A Doctor living nearby the club's Avenue Road ground gave the player the kiss of life, but Mr Harries was dead on arrival at Nevill Hall Hospital. 'Dinky' joined the Club from Tredegar five years ago. He quickly established himself as a favourite at the Club. In his first four years he took over 300 wickets, last year 1977 was his best ever with a bag of 96 wickets. He was also a keen rugby player and played regularly for Brynmawr RFC. He was also a member of the General Committee of Tredegar RFC and lived with his mother and sister in Poachin Crescent Tredegar. A Quality Controller at BSC Tinplate works at Ebbw Vale 'Dinky' was very well known in Gwent and Three Counties League cricketing circles. The day before his death he had returned from a weeks cricket tour in Kent with Abergavenny C C. A spokesman for the club said "Dinky's death has been a tremendous shock to all members of the Club. He will be sadly missed, not only by us, but by cricketers throughout the County."

**MALCOLM NASH,
ABERGAVENTNY CRICKET CLUB'S FIRST COUNTY CRICKETER**

Malcolm Nash was born and bred in Abergavenny and the Abergavenny Club takes great pride in staging this match in aid of his benefit. Mr. Ted Nash, Malcolm's father, is the popular and enthusiastic President of the Club and his brother Colin played for Abergavenny with distinction for many years before leaving the area to play for Hornsey in North London. In contrast to most of the Welshmen on the Glamorgan staff, Malcolm did not develop in the Glamorgan coaching nursery, joining them directly from club cricket with Abergavenny in 1966.

As a youngster, Malcolm and his elder brother Colin were coached by the great Somerset batsman Harold Gimblett and his Somerset colleague Bill Andrews, who were, in turn, club professionals with Ebbw Vale Cricket Club. In school, at Wells Cathedral School, another Somerset player, Alan Whitehead, now a first-class umpire, was responsible for his coaching. However, much of his progress was made under the watchful eyes of Lewis White, club coach and Captain of Abergavenny, aided, of course, by brother Colin.

Malcolm played his first match for Abergavenny at age of 10, but first stamped his mark in 1959 at the age of fifteen, being called upon when the 1st XI were one short on a visit to their great friends and rivals, Panteg C.C., one of the strongest sides in the area. This proved to be a sensational debut, as Malcolm saved Abergavenny from disaster with a superb innings of 61. From that day, Abergavenny knew that they had a player of considerable potential and both Malcolm and his brother Colin were to make vast contributions to the success of Abergavenny Cricket Club in the following six seasons.

However, although undoubtedly a genuine all rounder from the start of his playing days, it was principally as a batsman that Malcolm made his reputation in cricket at club level. His powerful stroke-play brought him many a century for the club and he frequently bowled his side to victory both with seam and spin. His best bowling performance was, without question, against Lydney on Whitsun Bank Holiday Monday in 1965, when he took all ten Lydney wickets for 29. It was this outstanding season in 1965, when he completed the double of 100 wickets and 1,000 runs, which brought Malcolm to the notice of several counties, including, of course, Glamorgan. He was offered a trial and, grasping the opportunity with both hands, he became a contracted Glamorgan player in 1967.

Everyone in Abergavenny Cricket Club has followed Malcolm's professional career with the greatest of interest and pleasure. He has added an extra dimension to the interest of Abergavenny people in Glamorgan cricket and, whenever he produces a notable performance, the news is swiftly relayed throughout the club. He has never forgotten his allegiance to Abergavenny Cricket Club and has always been willing and anxious to have the occasional game whenever possible.

It gives our club the greatest of pleasure to have the opportunity of hosting our very good friends, the Glamorgan and Warwickshire teams. It is most fitting that the highly entertaining and friendly cricketers from Edgbaston will be gracing us with their cheerful presence, once again, especially as Alvin Kallicharran has captained the West Indies Test Team, since he last visited us. May we join Malcolm in thanking them for contributing to the success of this unique occasion in the history of Abergavenny Cricket Club. The club is also most grateful to the advertisers, who have contributed to the printing of this programme.

We all feel very sad that our former Chairmen, Peter Jones, Bill Macpherson and Dennis Harries, all of whom tragically passed away within the past twelve months, will not be with us this year. Their vast contribution to previous benefit matches will be sadly missed.

The members of Abergavenny Cricket Club wish Malcolm every success in this, his benefit year, and may he continue his great success on the cricket field in the years ahead. May the weather be kind to everybody on the day and let the people of Abergavenny express their gratitude for the pleasure that he has given by turning out in force to support him.

The Official Opening of the Bill McPherson Scorebox

The Club decided to go ahead with the project of building The Bill Macpherson Score box this season despite the serious fire that recently damaged the kitchen and tearoom. Bill Mack a former player, treasurer and groundsman died In October 1977. He was brought up and educated in the Town and started playing for Abergavenny in the fifties, and soon established himself as a fine club opening bowler, he retired from playing in 1971. The club is anxious to provide some permanent tribute to Bill and the score box should be a fitting memorial
