Not surprisingly the opening TCL match on April 30th versus Colwall was abandoned to rain with Abergavenny having scored 126 all out R.Wallace (22) P.Sussex (34) A.Cook (29) N.Francis (17*) consequently things got underway for real on May 7th with a home fixture against Frocester. Frocester batted first and totalled 141-9 the man who did the damage with the ball was Alan Cook with 7-56 with P.Watkins and M.James taking a wicket apiece.

Unfortunately for Frocester they lost opener Geoff Hudd with a nasty injury after top edging a ball onto his forehead. Abergavenny scraped home in failing light to win by 3 wickets with one over to spare. From a position of 94-5 off 37 overs Skipper Ryland Wallace with 28 not out saw the side home. Abergavenny 142-7 with runs from M.Winstanley (22) P.Watkins (26) and R.Wallace (28*) M.Bloor (15) M.Powell (14) P.Jones (11)

Abergavenny Cricket Club History

In 1988 the Club lost another stalwart when Cliff Cox passed away.

Cliff played for the club for many seasons and was renowned for his 'big hitting'. He has since his retirement from playing acted as umpire for the Club, standing in many games throughout the late seventies and eighties.

Always on hand with a good story of years gone by and good company in the bar after matches. He was also a very keen grower of Dahlias and often provided players with a bunch to take home for their wives

June 11th Cirencester were next to test Abergavenny and a pair of youngsters Matthew Leader (15) and Nick Francis (12) complemented a great (74) by Phil Watkins and (44) from Kyle Holmes for Abergavenny to reach 180 – 8. Kyle Holmes taking 5-27 with great support from Alan Cook 3-25 and M.James 2-21 routed Cirencester who were all out for 94.

Pictured Left, Lewis White who sadly passed away on January 13th 1988 aged 74 years. 'Lew' had been with the club since 1946. He held almost every senior office within the club, Coach, Captain, Chairman of Ground and Club Chairman as well as being a most influential player. He hailed from Gorseinon. Until his health deteriorated he regularly umpired for the First X1. A real Trojan of the Club and very few people who talk about Abergavenny Cricket fail to mention his tremendous contribution.

GLAMORGAN v WORCESTERSHIRE

Date: 13/15/16 August 1988
 At: Abergavenny
 Umpires: A.G.T. Whitehead, D.G.L. Evans

Toss won by: Worcestershire
 Result: Worcestershire won by 5 wickets
 Scorers: B.T. Denning, J.W. Sewter

Determined efforts by the late order batsmen brought respectability to Glamorgan, with Greg Thomas scoring a well deserved maiden first-class century. This after the Worcester attack, admirably spearheaded by Newport, had reduced them to 92 for 6. Then a tactical declaration by Neale on reaching a second batting point left Glamorgan to set a target. They responded well, Maynard in particular being very severe on some friendly bowling. His 108 included 3 sixes and 10 fours. Worcester suffered an early set-back in pursuit of the 341 for victory, Lord being brilliantly caught in the gully by Butcher off a full blooded square drive. But with Hick and Curtis taking control, Worcester moved inexorably towards victory, Hick passing the 2000 run mark for the summer in quite imperious style.

Mike Fatkins observations of Avenue Road

“The following week we arrived in Abergavenny. There isn't a better sight than Abergavenny in good weather and we ended up being lucky even if Graeme Hick spoiled the script. Abergavenny too has one pet problem as far as the office is concerned and it is quite simply this- Balls. With Maynard and Shastri in your side you automatically take plenty with you, but playing against Hick and on a small ground, well, you can imagine. And we needed them all as Maynard hit about five into someone's fish pond, and Hick decided to lob them into someone's sunken garden in the town centre. It was like watching a game of pinball. The umpires decided the third day was too hot for white coats, so whenever either of the two 'blockers' sent £30 pounds worth over the wall, out would trot a member of the admin staff with a box full of replacements. A steward in Crickhowell might have solved the problem. He could round up the balls and return them, but by the time the idea had struck me it was too late, and you couldn't very well ask the two of them to hit sixes in the one place, or could you? They'd probably do it if they felt like it. Our office at the ground was a converted horse trials box, complete with buzzer in case of refusals, but the umpires were good and we didn't need to use it. Quote of the game, I reckon Hick is over-rated”

Graeme Hicks 159, the highest individual innings at the Avenue Road Ground, he also became the first batsman to pass 2,000 runs in the 1988 season. M. Maynard scored his 108 before lunch on the final day- the first time this feat had been achieved on a Welsh ground since 1969 when Majid Khan did it at Sophia Gardens.

World Events

Steffi Graf becomes the third woman to win the 'Grand Slam' of all four major tournaments (the Australian Open, French Open, Wimbledon, and US Open). She also wins an Olympic gold medal, following the restoration of tennis to the Olympic Games in Seoul, South Korea. Ben Johnson wins the 100 metres in a world record time of 9.79 seconds; he is then stripped of the title three days later when drug tests reveal traces of an anabolic steroid, stanozolol. The Licensing Act in Britain allows all-day opening (from 11 am to 11 pm) to pubs in England and Wales. Margaret Thatcher becomes the longest-serving British prime minister in the 20th century. The English company Tome Associates demonstrates the first desktop computer that responds to voice commands, developed from research by the British Library and London University.
