BRITANNIC ASSURANCE CHAMPIONSHIP			
<b>Glamorgan v Worcestershire</b>			
at Abergavenny on 23/24/25/27 May			
Umpires: V A Holder & N T Plews		Scorers: B T Denning & J W Sewter	
<p>This rain affected match ended tamerly in a draw shortly before the scheduled close, the visitors recovering from the loss of three early wickets to hold out for the draw without undue alarm. Glamorgan, put in, had the middle order to thank for their first innings total, Butcher in good form again, with both Gibson and Croft making half centuries. The loss of fifty overs on the first day, together with rain all day on the second, meant that a contrived finish was inevitable. Once Glamorgan were all out, Moody declared the Worcestershire innings closed 128 runs behind and Tony Cottey, captaining Worcestershire in the absence of Maynard on England duty, reciprocated shortly after lunch on the final day, setting the middle order batsmen saw them safely through to a draw.</p>
